## Sharing Harmony for over 45 years!

- ⇒ Your choice for the best entertainment in the Antelope Valley
- ⇒ Part of an International organization of women devoted to the joy of singing four-part harmony in barbershop style
- ⇒ If you're a woman who loves to sing, we want to meet you!
- ⇒ Take part in a hobby that brings joy and harmony into your life.

Love to Sing?

Give us a ring!

And help us **Harmonize the World.**

## The Harmony Showcase Chorus

was chartered in February 1960 and is affiliated with Sweet Adelines International, an educational organization promoting four-part harmony for women—barbershop style—and has over 30,000 members worldwide.

The **Harmony Showcase Chorus** is dedicated to learning, growing, and achieving excellence in a team-orientated environment.

We have been asked if we are 'exclusive' our acceptance of new members. "Do I need to be an accomplished musician?" The answer is "No". On the contrary, we are inclusive in our belief that if the desire and willingness are there, we can teach our art form to nearly anyone. Training in vocal production, choreography and showmanship are offered on a continuous basis.

The **Harmony Showcase Chorus** is a diverse group of women who welcome others who share in the joy of singing and performing. SO, if you enjoy singing, challenges and new experiences, or want to broaden your perspectives and make new friends while doing it, we'd like you to consider membership in the **Harmony Showcase Chorus.**

*The Harmony Showcase Chorus is fun, creative and exciting. Striving for excellence in the performance of 4-part a capella harmony they deliver a versatile, energized performance that is entertaining for all.*

*Having been serving the Antelope Valley for over 45 years the chorus is made up of dedicated women performing year round throughout Southern California while we expand our performing arenas nationally and internationally.*
